Helena Zofia Website & Podcast Disclaimer

All content shared on this website, podcast, and related social media channels is for **general information only**. It is not a substitute for personalised nutrition advice, medical advice, diagnosis, or treatment.

I am an **Associate Registered Nutritionist** and I provide tailored guidance only within 1-to-1 consultations, based on a full understanding of your individual needs. If you have any medical concerns, always speak with your GP or a qualified healthcare professional before making changes to your diet, lifestyle, or supplement routine.

While I make every effort to share accurate, up-to-date information, I cannot guarantee that everything will be applicable to your personal circumstances. By using this website, listening to the podcast, or acting on any content I share, you accept that you do so at your own risk.
